COMMON QUESTIONS

MEMORIAL VS. HONORARIUM?

A memorial is typically made after a loved one has passed away as a remembrance gift.

An honorarium can be gifted in a person's name at any time, such as for a milestone birthday, graduation, and holiday gifts.

WHY DONATE TO THE LIBRARY?

Every time an item purchased with memorial funds is used, your loved one is thought of. As part of the MORE Consortium of libraries, we share materials with 53 other libraries, and beyond.

Donations help the library make purchases we would otherwise not be able to. This includes improving our collections, purchasing new technology, creating kits, and hosting events for all ages.

WHAT IS MY DONATION USED FOR?

Donations can be used several ways and you can tell us how you'd most like to see your donation spent. Here are some examples:

Molly's sister passed away. She was an avid gardener. Molly would like to donate \$50 to purchase new materials specifically about Wisconsin Gardening.

Grant's Dad is celebrating his 70th birthday. Grant would like to donate \$250 toward the Summer Reading Program, which the family participates in every year.

Julian's cousin is moving to Italy. He'd like to donate \$25. The director suggests an Italian Language set, within his price range.

HOW IS MY LOVED ONE HONORED?

Every material purchased has a sticker placed inside with the person's name. For larger items, a placard would be affixed in an appropriate location. In case of event sponsorship, names would be included in publicity and on our social media accounts.

HOW LONG DOES MY DONATION LAST?

Circulating items are kept for a minimum 3 years. However, most donations will serve the community for 10-20 years!

Library of the Future

WAYS TO GIVE

There are several ways in which to donate to the library.

- Directly to the Library via Cash/Check
 - Checks payable to the Cadott Community Library
- To the Friends of the Library by Cash/Check
 - Check payable to Friends of the Cadott Community Library
